NOTICE OF UNSAFE CONDITION

-OCCUPANCY PROHIBITED-

*ILLEGAL OCCUPANCY-ILLEGAL
RENOVATIONS-UNSAFE ELECTRICAL*

Dear Property Owner(s):

This department was recently notified of an unsafe condition at the above referenced address, which a subsequent inspection by this department has confirmed. The referenced item(s) are in need of correction. Pertinent sections of the applicable codes and standards are available for your review at our offices.

- The house is a two bedroom single family ranch style dwelling that has been modified to contain 4 bedrooms on the main level and 2 in the basement. All rooms are individually locked and rented separately.
- All utilities have been requested to be disconnected and not reconnected without approval from this department.

23 Union Street, Norwich, Connecticut 06360
Phone: (860) 823-3745 • Fax: (860) 823-3741

Reoccupancy will not be allowed until all illegal construction is removed, the electrical system is repaired, written approval from the Health Department and Zoning is received, and a satisfactory complete reinspection is completed by both Housing and Building.

Building permits will be required for the electrical and structural work.

Respectfully,

George L. Gardner
Code Enforcement Officer
