Rte # 156

*Yes! You Can Get Here from There...*  
Take Rte #156 out of Niantic towards Old Lyme. Fairhaven Road will come up on your left after a short drive. Take that to Brainerd Road and go to the end (its not far at all). Park on the side of the road where the paving stops and walk into the property on an easement to the right of a wooden fence. You'll see a trail within a very short distance. Enjoy the day.
